

Happy Hours at the Pamet Harbor Club

Happy Hours are usually Friday Nights at 6 pm with an occasional switch to Saturday or other night. In October, Happy Hour may start earlier, so we don't miss the sunset.

- You do not have to sign-up to attend.
- **Proof of Covid Vaccination with Booster is required.** If you have not provided a copy of your vaccine card to Charlie in 2022, please be sure to text or email him a photo of your card prior to attending. 508-514-1879 or charlie@pametclub.com
- Please check our [website calendar](#) for the Happy Hour schedule and other social events.
- Guests are always welcome! Please make sure that your guests have texted or emailed Charlie with their **Proof of Vaccination with Booster** prior to attending. Your member name should be included with the email or text.
- When you arrive, please complete a Name Tag.....we know it's corny, but so very helpful!

Please bring food to share.

- The kitchen is available for unwrapping, plating or food preparation including use of the oven/stove and microwave.
- Food labels are available for you to let folks know what you brought and to highlight any ingredients for people with food allergies (nuts, shrimp, etc.)
- When you are ready to leave Happy Hour, please take your serving dish and any leftover food home with you. We have food wrap and aluminum foil available for packaging leftovers.
- If you decide to come "last minute" and don't have any food to share that night, please still come and enjoy.

Happy Hours are BYOB - the club does **not** provide any alcohol.

- Please bring alcohol for your personal consumption.
- There will be a table with a large bin with ice to keep your drinks cool.
- The club provides ice for your drinks, as well as, coke, diet coke, ginger ale, tonic water, club soda and seltzer (regular and lime).

The Club Provides - in addition to ice, mixers & soda

- "Real" Glasses – wine, beer, low ball and martini glasses
- corkscrews, ice tongs and ice bucket
- napkins, appetizer plates, toothpicks and utensils
- lime wedges for drinks

We re-cycle - wine bottles, beer bottles and cans, etc. Please rinse them before placing in the blue recycling bins.
